

SGVP Circle Fund

SG Value Partners AG ▪ Class E1 EUR

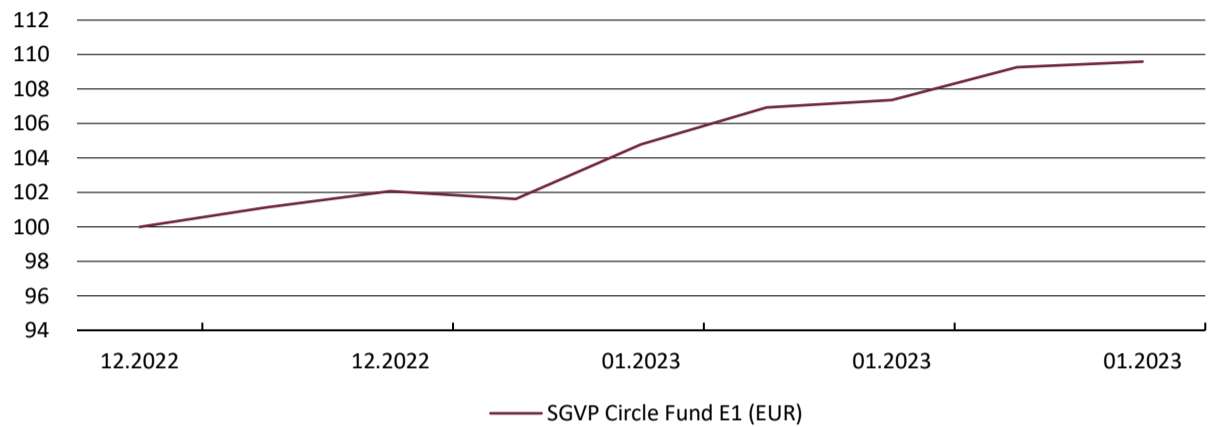

Investment strategy

The SGVP Circle Fund pursues a deep value approach based on the bottom-up principle according to the philosophy of Benjamin Graham and David Dodd. The fund invests in companies that are listed on regulated and accessible markets worldwide and that, according to the fund managers' analysis, show a significant discount to the calculated intrinsic value. The fund offers weekly liquidity and can therefore also invest in less liquid equity securities.
